ANNUAL REPORT
Of the Town Officers
Nelson, New Hampshire

For the year Ending
December 31, 2011

DEDICATION

Dorothy M. (Farwell) French
5/15/20 -7/12/11

Dorothy (Dot) Millicent (Farwell) French was passionate about Nelson. She was raised, attended school, married and reared her family here on the family homestead. She was proud of her family and town. She believed in giving back and serving her community.
In her lifetime she contributed in many ways including Assistant Librarian and Permanent Library Trustee of the Olivia Rodham Memorial Library. She was driven to see that a new library was built. She also served on the Trustee of Trust Funds and Cemetery Board for the Town.
Dot served as a member of the Nelson School Board during the time Nelson became part of the original AREA agreement that has governed our tuition agreement with Keene for 40 years. As a parent, she also was a member of the Packersfield Association.
She was a dedicated member of the Nelson Congregational Church and Nelson Ladies Aid where she held many different offices and served on many committees.
Being a good neighbor was important to her and throughout her life she kept a lookout for anyone who might need a friend or a little help which she would then insure was provided.

Winston H. French

DEDICATION

Raymond Huber
2/9/22 - 5/27/11

Ray was a World War II Navy veteran serving in the European theater as an aviation machinist mate first class aboard the USS Albermorel which operated in the Atlantic and Pacific.
A resident of Nelson for the past 65 years, he was very active in community affairs. He served on the board of Selectmen and was a 65 year member of the Nelson Fire Department serving as Fire Chief for 15 years.
In his earlier years, he earned his Eagle Scout with three palms. He continued his love for scouting as a scout master for the Nelson Boy Scout troops. He was a member of the Nelson Congregational Church, and a member of the Gordon Bissell American Legion Post 4 of Keene.
Ray enjoyed sailing and fishing on Granite Lake. He built the home where he lived on McIntire.
Ray once spoke at Town Meeting and said he had been a resident for 50 years and has given a lot to the Town and now he finally feels he is a Townie.
Ray also had a machine shop and worked on many projects from farm equipment to carpentry anything could be made there. He worked on many projects for Markem and other large companies for many years.

Ray Marching in Nelson Memorial Day Parade

DEDICATION

Kenneth Jeffrey
8/18/29 – 1/11/11

He was born in Keene, August 18, 1928, the youngest son of William Wallace and Mable Vaughan Jeffery. He lived nearly his entire life in the Keene area.
He was a graduate of Keene High School, class of 1946, and earned a bachelor's degree in civil engineering from the University of New Hampshire in 1954. He worked for the New Hampshire Department of Transportation as a project engineer for 40 years before retiring in 1991. Mr. Jeffery was a U.S. Navy veteran.
He served the town of Nelson as selectman for 7 years from March 1977 to March 1984 and served on the Road Equipment Committee.
He was a well-known counter tenor, having sung with the UNH Salamanders, the Cheshiremen, the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America barbershop chorus, "The Old Homestead" (more than 100 consecutive performances), the Heart Fund show in Marlborough and Keene Lions Club productions of "The Music Man" and "Damn Yankees."
He was a competitive shooter and a member of the Cheshire County Fish and Game Club and the NRA. He had a shooting range at his home. He was also active with the Keene Senior Center. He was an avid reader, a gardener and an accomplished woodworker.

SELECTMEN'S CERTIFICATE

This is to certify that the information contained in the following reports was taken from official records and is correct to the best of our knowledge and belief Margaret Schillemat, Chair; Warren Hammack and Winston O. French, Nelson Board of Selectmen.

AUDITOR'S CERTIFICATE

No Audit performed for 2011

TOWN WARRANT

TO THE INHABITANTS of the Town of Nelson, in the County of Cheshire, State of New Hampshire, qualified to vote in Town affairs: YOU ARE HEREBY NOTIFIED to meet in the Town Hall in said Nelson on Tuesday, the 13th day of March, 2012, at 11:00 am to act upon the following articles:

Polls will open at 11:00 am and close at 7:00 pm.

Business Meeting will start at 7:00 pm.

ARTICLES OF A GENERAL NATURE

1. To choose necessary Town Officers for the year ensuing.

2. To see if the Town will vote to raise and appropriate the sum of $301,876 to be raised by taxes. This is to defray Town charges for the year ensuing. The Selectmen recommend this appropriation. 3-0

3. To see if the Town will vote to raise and appropriate the sum of $20,600 for support of the town library with all expenses above that amount to be paid directly by income from the Library Memorial Fund or other sources.. (In 2011 the total amount raised by taxes was $20,600). The Selectmen recommend this appropriation. 3-0

4. To see if the Town will vote to raise and appropriate the sum of $3,481 for support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care ($550), Monadnock Family Services ($831), The Keene Community Kitchen, Inc. ($1,500) and Southwestern Community Services ($600). The Selectmen recommend these appropriations. 3-0 (In 2011, these same agencies received contributions from the town in the amount of $3478).

5. To see if the Town will vote to appropriate the sum of $25,000 to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the town. The selectmen recommend this appropriation. 3-0 (The 2011 appropriation was $10,000). The fund balance on 12/31/2011 was $73,117.

6. To see if the Town will vote to raise and appropriate the sum of $3,000 to be added to the Milfoil Prevention and Treatment Expendable Trust Fund. The Conservation Commission approves this article. The Selectmen recommend this appropriation. 3-0 The fund balance as of 12/31/2011 was $17,372.

7. To see if the Town will vote to raise and appropriate the sum of $823 used for hazardous waste collections for 2012 and 2013 consisting of 24 collection dates. The Selectmen recommend this article. 3-0

ARTICLES DEALING WITH SERVICE AND PROTECTION

8. To see if the Town will vote to raise and appropriate the sum of $14,500 as subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 2011 was $10,428.29). Selectmen recommend this article. 3-0

9. To see if the Town will vote to raise and appropriate the sum of $30,338 for the proper expenses of the Fire Department and Rescue Squad. (The 2011 appropriation was $15,000). Selectmen recommend this article. 3-0

10. To see if the Town will vote to raise and appropriate the sum of $500 for the purpose of fighting forest fires. This sum to come from reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this article. 3-0

11. To see if the Town will vote to raise and appropriate the sum of $25,000 to be added to the Fire Equipment Capital Reserve Fund, for the purpose of Fire Apparatus for the fire department. No withdrawals may be made from this Fund except by vote of the Town and upon recommendation of the Fire Chief. The Selectmen recommend this article. 3-0 The fund balance as of 12/31/2011 was Approximately $181,490

12. To see if the Town will vote to raise and appropriate the sum of $500 for the proper expenses for Emergency Management. This article is recommended by the Nelson Emergency Management Director and by Board of Selectmen. 3-0

13. To see if the Town will vote to raise and appropriate the sum of $41,400 for the proper expenses of the Police Department. (The appropriation for 2011 was $37,000). The Selectmen recommend this article. 3-0

14. To see if the Town will vote to raise and appropriate the sum of $4,000 for the purpose of patrols performed by the Nelson Police Department for the State of NH, Cheshire County, Sheriff's Office and other authorized municipal entities. This sum to come from offsetting grants and no amount will be raised through taxation. The Selectmen recommend this article 3-0

15. To see if the Town will vote to raise and appropriate the sum of $10,000 to be added to the Police Equipment Capital Reserve Fund. No withdrawals may be made from this fund except by vote of the Town and with the recommendation of the Police Chief. The selectmen recommend this article. 3-0 The fund balance as of 12/31/11 was Approximately $10,552.

16. To see if the Town will vote to raise and appropriate the sum of $500.00 for the proper expenses of the Agricultural Commission. The Selectmen recommend this article 3-0

17. To see if the Town will vote to raise and appropriate the sum of $1200 for maintenance of Head Stones in the Town's Cemeteries. The total sum to be raised by taxes. The Selectmen recommend this article 3-0

ARTICLES DEALING WITH ROADS

18. To see if the Town will vote to raise and appropriate the sum of $243,150.00 for the purpose of maintenance of highways and bridges for ensuing year's budget with $37,390.67 anticipated coming from Highway Block Grant Aid. The rest ($205,759.33) to be raised by taxes. In 2011 the sum of ($175,816.98) was raised by taxes. The Selectmen Recommend this appropriation 3-0

19. To see if the Town will vote to raise and appropriate the sum of $20,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the town upon recommendation of the Road Equipment Committee. The fund balance on 12/31/11 was Approximately $11,706 The Road Equipment Committee (which includes the Selectmen) recommends this appropriation.
The Selectmen recommend this article 3-0

ARTICLES DEALING WITH PLANNING & ZONING

20. To see if the Town will vote to raise and appropriate the sum of $802 for dues to belong to the Southwest Region Planning Commission. ($731 in 2011) The Selectmen recommend this article 3-0

21. To see if the Town will vote to raise and appropriate the sum of $7,000 to be used to fund a Condition Assessment with Preservation Guidelines for the Nelson Town Hall and Old School House. The total cost of this project not to exceed $7,000 with $3,500 being raised by taxes and $3,500 coming in the form of a matching grant from the New Hampshire Preservation Alliance. Nelson has been approved for the grant but the money will not be awarded without matching funds from the town. The Selectmen recommend this article. 3-0

OTHER ARTICLES

WARRANT ARTICLES BY PETITION

22. To see if the Town will vote to raise and appropriate up to $1500 to support the expenses of three Nelson School students @ $500 each from grades five or six to attend Summer Village 2012 (in Nelson Village). This money would only be spent for children who actually apply to and attend the program. The Selectmen do not recommend this article. 3-0

23. To see if the Town will vote to require the Selectmen, and all Town Officers and Employees to provide to the Auditor, for the purpose of examination and audit required by law, all town financial records (including digital data in that format) as requested by the Auditor. If direct access to original documents is required by the Auditor, an appointed time will be scheduled for that access. No original documents shall be required to leave the town offices. Copies of the documents requested by the auditor may be provided instead of original documents, provided the auditor agrees. Privacy and confidentiality laws (RSA 91-A:5) will be adhered to by the Auditor.

24. To see if the Town will vote to authorize the Selectmen to permit Town Residents to use the Common Room in the Safety Building for meetings and small gatherings; it being understood that should an emergency arise such that the room is required, Residents scheduled to use the room would be contacted by the person designated by that group to cancel their meeting or event as would be necessary. Permission to use the space would use the same policies that are currently in place for other Town spaces.

25. To see if the Town will vote to require the selectmen to deposit the official records of the town, not immediately needed in the course of their duties, with the town clerk as required under RSA 41:58 by April 1, 2012. The town clerk shall have access to the records independently of any other persons or governing body. Further that the town clerk shall establish procedures that allow reasonable access for the public at least during the hours the clerk is ordinarily available to the public in the town office.

26. To see if the Town will vote to authorize the Moderator to appoint a Study Committee of not more than 4 Nelson residents to do the following:

* Attend all meetings of the board of selectmen.
* Record the proceedings of those meetings for the purpose of understanding the activities and associated time requirements of the office
* Recommend efficiencies to the board of selectmen as they may come to the attention of the committee.
* Report to the Town of Nelson, at the March 2013 Town Meeting, making recommendations for any changes in administrative staffing or in the number of members of the board of selectmen, that it believes to be in the best interests of the Town. The term of the Study Committee will end at the adjournment of the 2013 Nelson Town Meeting.

To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

Given under our hands and seals this 8th day of February in the year of Our Lord, two thousand and Twelve

A true copy of the warrant, Attest: The Nelson Board of Selectmen

Date: February 8, 2012

Margaret Schillemat

Notes:

Fire Chief salary from the General Operating Budget #4130 Executive

South Western Fire Mutual Aid was formerly a part of the County Tax assessment
This is now handled as a direct annual bill from Mutual Aid

Housekeeping Supplies for the bathrooms had been previously within the Financial Admin budget
This should be split to show Department Cost

The Fire Department has been using the Gasoline from the Police Dept.
Diesel from the Highway Dept

Report of the Selectmen

2011 was a very busy year. We have had some personnel changes in our offices over the last year. Edie Drinkwater has come in as our new Town Administrative Assistant, Anita Treloar as our Financial Assistant and Bob Jones as our new Town Sexton. Please join us in welcoming all of them to their positions with the Town of Nelson.

The Town of Nelson Personnel Policy and Procedure Manual has also been updated to reflect all the current changes to the laws, both Federal and State as they pertain to the Town of Nelson. This was quite an endeavor for which we were grateful to have had the assistance of our Town Counsel and the Local Government Center.

The Selectmen once again commissioned the Town Buildings Committee (formerly Town Hall Renovation Committee). They held an open house on two separate days for the residents to come and view the existing structures/buildings in the village and their present condition(s). The committee has received a grant that will be placed in the Town Report as a warrant article asking for matching funds so that the grant monies may be awarded to fund a Condition Assessment with the Preservation Guidelines for the Nelson Town Hall and Old School House. We want to give special thanks to the Town Buildings Committee for all their hard work and dedication to this project.

The Department of Labor came to the Town of Nelson this past year and did a Safety Summary Report on all Town owned property and buildings. Their recommendations for corrections are being addressed by the Select Board, the Fire Chief, Police Chief and Town Sexton. The Local Government Center, who carries the Towns insurance, also did a safety audit of the Towns Buildings. This report can be found on the Town of Nelson website.

Mike Blaudschun had to unexpectedly resign from his position on the Town of Nelson Select Board prior to the end of his term. We thank Mike for his years of dedicated service to the community. Winston O. French was appointed and sworn in as his replacement until the next election.

The Town Library as well as the connector had a new roof installed. This was something that needed to be done as the roof had many shingles that were off and others that were disintegrating in place.

There has been a new 2012 Peterbilt 16 yard Heavy Duty Dump Truck purchased for the Town Highway Department. Two of the older trucks were traded in and the revenues received from them was used to help pay for the purchase of the new truck.

Our computer systems have all been upgraded to meet the ever changing technological advances that have been made to date.

The stone pillars at the main entrance to the Town of Nelson cemetery were restored.

Respectfully submitted,
The Town of Nelson Select Board

TOWN CLERK/TAX COLLECTOR REPORT TO THE TOWN, 2011

The town office is always very busy at the beginning of each calendar year, preparing reports for the previous year, getting ready for annual town meeting, collecting taxes, performing tax liening and deeding as required by law, registering cars and licensing dogs, and performing other less frequent but important town clerk and tax collector responsibilities. However, as activity in the office quieted, it was a good time to renew old projects.

In July, the Municipal Records Board came alive once more. The Board of Selectmen authorized this committee in Nelson, which is enabled under RSA 33-A, back in 2006. After a brief flurry at that time, the board had remained inactive. The RSA is very specific as to the composition of the board, and outlines specifically what and how long town records must be maintained. However, before beginning the work the board is charged with by law, it was necessary to provide a reasonable work space. As clerk, I cannot express my appreciation loudly enough for the entire board! The board has worked tirelessly for a minimum of two hours each week since July, cleaning out the storage area in the upstairs of the brick schoolhouse to ensure that we have available all of the boxes of records stored there, creating clean storage files where organized town records can be stored, and creating a reasonable work space where the board can work. It was difficult and extremely dirty work cleaning up after so many, many years of neglect.

Presently the board has shifted its focus in an effort to prevent a further accumulation of so much unnecessary clutter. The board is working on a letter to all town officers, boards, and committees, with an introduction to the process of sorting records at the board or committee level. This will ensure that only those records which require permanent storage or records clearly marked with a future date of destruction will be stored in the records storage area.

Because of the many, many boxes filled with records and paperwork still to be sifted through, this process is a long term commitment if it is to be accomplished. There is a monumental amount of work to complete. The town is extremely fortunate to have Dave Birchenough, Susan Hansel, and Edith Notman and John Shea willing to work on this project. They are to be commended for the work they have done already. The town is very fortunate to have such loyal and dedicated volunteers with the qualifications each brings to the board. Their expertise and perseverance are critical to the success of this process. Thank you very much.

I cannot end without my annual Thank You to Edith Notman, Deputy Extraordinaire. Edith is a joy to work with, and the office continues to benefit by her presence. And finally, thank you for allowing me to work for you for another year.

Sincerely,
Teri Upton, Town Clerk/Tax Collector

NELSON TOWN MEETING MINUTES - MARCH 8, 2011

ARTICLES OF A GENERAL NATURE

March 8, 2011 was a clear, sunny day with just a hint of Spring. Voting at the polls was steady and constant, but not heavy. A total of 152 voters, or 27% of registered voters, cast their ballots. The results of the voting are shown below. The polls closed just at 7 p.m., and the Moderator, Richard Church, called the meeting to order just after 7. A quick count of the number of people present showed that the hall was filled to capacity, with additional townspeople crowded into the hallway. Our Moderator made the decision to remain in the Town Hall and not move to an alternate location such as the Nelson Congregational Church or to the fire station. The meeting began with a Pledge of Allegiance to the Flag led by Eagle Scouts who were present in the hall.

1. To choose necessary Town Officers for the year ensuing.

The election results are as follows:

Selectman	Michael Blaudschun
Trustee of Trust Fund	Edith Notman
Trustees of the Library	Carol Raynor
	Laurie Redfern-Smith
Zoning Board of Adjustment	Richard Popovic
Planning Board	Troy Tucker
Road Equipment Committee	Dennis Dellagreca
Treasurer	John Shea (by write-in vote)
Auditor	Terry Mednick
Emergency Management Officer	Richard Lothrop

2. To see if the Town will vote to raise and appropriate the sum of One Million Dollars ($1,000,000) (gross budget) for the Town Buildings Renovation project which includes the renovation of the Town Hall/Library and the Old Brick Schoolhouse (the Town Office Building), and to authorize the issuance of not more than $750,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; further, to authorize the withdrawal of $200,000 from the Town's General Fund; and further, to authorize the withdrawal of $50,000 from the Town Buildings Capital Reserve Fund created for this purpose. This will be a non-lapsing appropriation per RSA 32:7,VI and will not lapse until the renovations are completed or by December 31, 2012, whichever is sooner. The Selectmen recommend this appropriation. 3-0
(2/3 ballot vote required)

The article was accepted as read. First to speak on this article was Mr. Jack Bradshaw, Chair of the Town Buildings Renovation Committee. (Other members of the committee are Selectman Warren Hammack, Ms. Lisa Sieverts, Mr. Bud French, and Mr. Tom Buttrick.) Mr. Bradshaw stated that the committee had been charged by the Selectmen to take a thorough look, first at the Town Hall and next at the Old Brick Schoolhouse, to verify structural and functional problems, and then to develop a plan to solve those problems. Mr. Bradshaw described in great detail the process that the committee had followed,

emphasizing that the character and historic value of the buildings, especially the Old Brick Schoolhouse, had been considered a joint priority along with the need to adapt the buildings for present and future uses.

The committee had chosen to present the project as a whole, without breaking it down into smaller chunks to be funded and handled separately. They did so for several reasons: the recent sale of a piece of property owned by the town gives the town access to $250,000 which will not have to be raised by taxes; local contractors are anxious for work, and bidding should therefore be unusually competitive; interest rates are at an all-time low, and it is not likely they will remain so into the future; Mr. Bradshaw has spoken with several interested donors who will be ready to commit real dollars to this project once it has been approved; and the resulting usability of the renovated area along with the additional space will be greatly enhanced by the completion of the project as a single unit.

Mr. Bradshaw explained that the initially the project had included a large function room and storage space beneath the existing Town Hall. The Town Hall floor, sills, carrying beams and support structures were to be replaced and repaired as needed. A new connector building between the Town Hall and the Old Brick Schoolhouse would add additional space and house an elevator to provide handicapped accessibility to the building, which is presently lacking. However, shortly into the project, the committee learned that the water table beneath the Town Hall and Schoolhouse was a maximum of three feet below the ground, so this plan had to be scrapped.

The committee began again and developed the project as presented, which still ensures the structural stability of the town buildings, offers additional storage room and facilities, and retains as much as possible of the historic integrity of the buildings. In the Old Brick Schoolhouse the existing staircase, which does not comply with the Americans with Disabilities Act, would be removed and an elevator installed. A new staircase would be built opposite the location of the existing staircase, and new bathroom facilities installed. This is the only real change proposed to the original structure of the Old Brick Schoolhouse. The concert ceiling on the second floor of the Schoolhouse would be restored and the area made accessible to the general public once again. Mr.Buttrick addressed the issue of what effect the bond will have on an individual's taxes. He stated that the expected tax increase for each $100,000 of assessed value will be approximately $70 and would decline annually as the amount of the bond was reduced.

Once discussion began, the questions and statements became lively. Select Board Chair Michael Blaudschun responded to questions about the Selectmen's charge to the committee and confirmed Mr. Bradshaw's statement. Most of the comments focused on the cost and scope of the project, as well as the fact that only a single plan had been offered and there were no options for breaking the project down into stages. Also, numerous voters were concerned that no schematic had been handed out for review at the meeting. Mr. Bradshaw presented the large scale plan which had been used to explain the project at the two open hearings held before Town Meeting. In response to questions about why a new furnace was to be included, since the Town Hall furnace is not that old, Mr. Buttrick said that bringing all heating up to the same level of efficiency would be less expensive because of economies of scale. He also said that the new insulation included in the project should lower heating costs substantially. This did not seem to satisfy those voters who were unhappy with the plan itself.

In response to statements of concern about the failure to plan for additional space in the Town Hall itself, especially for Town Meeting, Mr. Bradshaw responded that there would be space available in the Old Brick Schoolhouse which could serve as an overflow area, connected electronically to the ongoing meeting and enabling those in the Schoolhouse to participate actively. Mr. EthanTolman stated that his experience with

this kind of set-up has been poor, and that personal contact is far preferable to electronic technology. Ultimately Ms. Bert Wingerson proposed to amend this article "To see if the Town will vote to raise and appropriate the sum of up to $100,000. For Stage 1 of the Town Buildings Renovation project which includes the renovation of the structural support of the Town Hall and a study to determine the repairs needed and costs to stabilize the Old Brick Schoolhouse (the Town Office Building) and to authorize the selectmen to withdraw up to $100,000.from the Town's General Fund for this purpose." The amendment was seconded. After discussion of what might be done at this level of funding, and whether it would be enough to repair the floor, the amendment was defeated 82 to 44 by written ballot. Additional discussion of the bond issue ensued before the call for a vote. The bond issue failed on a written vote of 98 to 27.

Because the time was now 9:35p.m. some voters suggested recessing the meeting to another date. Mr. Church clarified for the meeting that by law when voting on a bond issue the polls must remain open for a period of one hour. Expressions of dissatisfaction continued, but Mr. Church insisted that it would be better to continue the meeting, at least while the polls remained open, which they did for just over one hour.

Next, Mr. David Birchenough moved to take up the last warrant article, "To transact any other business or discuss other warrant proposals as may be brought before the meeting." so that we might discuss the implications of the financial inaccuracies of certain sections of the 2010 Annual Report. Once again Mr. Church explained the procedural issue at hand. The Town Meeting voted in the affirmative by voice vote to bring the article forward at this time for discussion. Mr. Birchenough then offered a motion that "We find unacceptable the Selectmen's Certificate found on page 3 of the Town Report, which states that all town reports are correct". The motion was seconded. He then explained many of the errors he had detected throughout the Report, and further stated that although the Selectmen had made available at Town Meeting revised figures of some of the reports, there were still errors, as well as mismatched figures, in those corrected reports. Mr. Terry Mednick added that no balance sheet had been included in the report as required by law. It had been presented also as a handout at the meeting. Mr. Church emphasized that the meeting might vote to express a sentiment to the Selectmen, but that there would be no legal action taken as a result of this vote. By voice vote, the meeting passed the motion to find unacceptable the Selectmen's Certificate in the 2010 Town Report.

3. To see if the Town will vote to raise and appropriate the sum of $278,711 to be raised by taxes. This is to defray Town charges for the year ensuing. The Selectmen recommend this appropriation. 3-0

The article was moved and seconded as read. Discussion began and once again, the issue of confidence in the accuracy of the figures included in this article was brought up. Discrepancies were pointed out and discomfort at the prospect of appropriating funds based on inaccurate estimates was expressed. A motion to non-fund the article was discussed, and Mr. Church explained the difficulties inherent in such a motion. A number of voters then suggested recessing the meeting to a date when the figures could be presented correctly. There were also vehement protests at the prospect of continuing to discuss and vote on expenditures when the town really had no idea of its present financial position.

A question arose also about the Auditor's Certificate, which vouched for the accuracy of the financial records as presented. At this time Mr. Church requested permission for Ms. Tamar Roberts to speak. Ms. Roberts heads the outside auditing team from Roberts, Green & Drolet, PLLC, the firm that conducted an audit of the 2010 town books. The town voted to allow Ms. Roberts to speak. Ms. Roberts said that the statement on page 13 of the town report, "Audit in Progress", is correct: they are still waiting for information

before completing their audit. The statement on page 3 of the town report that they have completed the audit is not correct. Ms. Roberts stated that as soon as their audit has been completed, it will be available at the Town Office for all to review. The outcry on this issue continued for some time, until it was finally made clear that the problem with the financial reports concerned only the 2010 fiscal year. We are in 2011, and the funds raised at our town and school district meetings this year will be handled separately by the state's Department of Revenue Administration when our tax rate is calculated for this year. Therefore, we could continue to conduct our meeting and our votes will be legal and binding. An informal poll of those present showed that about half the number present were uncomfortable continuing based on untrustworthy numbers. Mr. Church reported to the meeting that the Selectmen assured him that the numbers were pretty good and that they were not likely to improve after a recess. Mr. Church stated that he would proceed with discussion of Article 3 unless I heard a motion to recess. Hearing no motion, Mr. Church stated that the meeting will continue on this date, at this time. Article 3 as presented was passed by voice vote.

4. To see if the Town will vote to raise and appropriate the sum of $29,992 for support of the town library. (In 2010 the appropriation was $30,150.)

$20,600 to be raised by taxes

$ 9,392 income from library memorial fund and other sources.

Article moved and seconded as read. Mr. Birchenough again questioned the accuracy of this appropriation. With assurance that the figures are correct, the article was passed unanimously by voice vote.

5. To see if the Town will vote to raise and appropriate the sum of $3,478 for support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care ($550), Monadnock Family Services ($828), The Keene Community Kitchen, Inc. ($1,500) and Southwestern Community Services ($600). The Selectmen recommend these appropriations. 3-0 (In 2010, these same agencies received contributions from the town in the amount of $3478.)

The article was moved and seconded as read. There was no discussion and the article passed unanimously by voice vote.

6. To see if the town will appropriate the sum of $10,000 to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the town. The fund balance on 12/31/2010 was $63,066.74. The Selectmen recommend this article. 3-0

The article was moved and seconded as presented, and with no discussion was passed unanimously by voice vote.

7. To see if the Town will vote to raise and appropriate the sum of $37,434 to cover the cost of a town wide revaluation and not to exceed this amount. This sum to be raised by taxes. The Selectmen recommend this article. 3-0

The article was moved and seconded as read. Mr. Dennis Dellagreca asked what this assessment entailed and how the revaluation would be accomplished. The Selectmen explained the difference between a whole town assessment and a rotating properties assessment and informed the meeting that Cross Country Appraisals had begun the re-assessment, which is required every five years by state law, last year. $22,000 was spent last year but was not raised for expenditure last year. Once again questions were

raised about the town's financial status. A voice vote on this article was inconclusive, but a standing vote approved the article, 63 to 30.

Once the polls closed just after 10:30p.m.and the vote on Article 2 was announced, Mr. David Birchenough made a motion that we "restrict reconsideration of Article 2 under the provisions of RSA 40:10". This motion was seconded and passed by voice vote.

8. To see if the Town will raise and appropriate the sum of $8,750 to tear down the two main pillars at the main entrance of the cemetery. Remove the old pillars. Pour a cement footing. Rebuild the pillars as they were built, the same size and same detail on the top for the sum of $6,350. The cost to rebuild the smaller pillars is $2,400.

The article was moved and seconded as read. Ms. Trisha Jones, Cemetery Board Chair, made a motion to increase the amount to be raised to $10,000. Ms. Jones explained the reasons for the requested increase, and described how the additional funds will be used. With little discussion the motion was passed by voice vote, and the article as amended was passed by voice vote.

9. To see if the Town will vote to raise and appropriate the sum of $3,000 to be added to the Milfoil Prevention and Treatment Expendable Trust Fund. The Selectmen and the Conservation Commission approve this article. The fund balance as of 12/31/2010 was $14,360.19. 3-0

The article was moved and seconded as read. There was some discussion about the milfoil problem, as well as questions about whether outbreaks have increased in the state. In response to a query whether any milfoil has been found locally, Ms. Carol Newcombe said yes, but it was abated immediately. The very high cost of dealing with even a small milfoil outbreak was also outlined. The article was passed by voice vote.

10. To see if the Town will vote to raise and appropriate the sum of $685 used for hazardous waste collections for 2011 consisting of 12 collection dates. (The 2010 appropriation was $681.00) The Selectmen recommend this article. 3-0

This article was moved and seconded as read and with no discussion passed by unanimous voice vote.

ARTICLES DEALING WITH SERVICE AND PROTECTION

11. To see if the Town will vote to raise and appropriate the sum of $6000. That will be Nelson's share of a three town Inter-municipal Cooperation project. The funds to be used to hire Municipal Resources Inc. to do an initial study of possible cooperation among the three towns of Harrisville, Dublin and Nelson. The Selectmen recommend this article. This article is non lapsing. 3-0

This article was moved and seconded as read. As discussion began, Ms. Karen Tolman offered this amendment: To see if the Town will vote to raise and appropriate the sum of $6000 as Nelson's share to contract with a consulting firm to assess municipal services within Nelson, Harrisville and Dublin. The intention of said study is to identify opportunities where shared facilities, equipment, personnel or services might lead to cost reductions, improved service quality, or future cost-avoidance for any or all of the three communities. This article is non-binding if Harrisville fails to pass theirs. This article does not exclude any

resource sharing discussions with Nelson's other abutting towns.

The amendment was seconded. Ms. Tolman explained that this amendment arose from discussions at the community forum. Discussion continued, and ultimately the amendment lost, 44 to 36, in a standing vote. The body then went on to reject this article by voice vote.

12. To see if the town will vote to modify the Disabled Veteran's Tax Credit from $700 to $1000 per year by provisions of RSA 72-35 as follows: 1) Filing date is the 15th of April of the year it is to be applied, 2) Discharge form such as a DD214 showing dates of service and type of discharge etc. need to be provided at time of application. The selectmen recommend this article. 3-0

The article was moved and seconded as read. With little discussion the article was unanimously passed by voice vote.

13. To see if the Town will vote to raise and appropriate the sum of $10,428.29 as subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 2010 was $11,242). Selectmen recommend this article. 3-0

The article was moved and seconded as read and with no discussion was passed by unanimous voice vote.

14. To see if the Town will vote to raise and appropriate the sum of $15,000 for the proper expenses of the Fire Department and Rescue Squad. (The 2010 appropriation was $14,250).The Selectmen recommend this article. 3-0

The article was moved and seconded as read and with no discussion was passed by voice vote.

15. To see if the Town will vote to raise and appropriate the sum of $500 for the purpose of fighting forest fires. This sum to come from reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this article. 3-0

The article was moved and seconded as read and with no discussion was passed by unanimous voice vote.

16. To see if the Town will vote to raise and appropriate the sum of $25,000 to be added to the Fire Equipment Capital Reserve Fund, for the purpose of Fire Apparatus for the Fire Department. No withdrawals may be made from this fund except by vote of the Town and upon recommendation of the Fire Chief. The fund balance as of 12/31/2010 was $156,365.14. The Selectmen recommend this article. 3-0

The article was moved and seconded as read and with no discussion was passed by unanimous voice vote.

17. To see if the Town will vote to raise and appropriate the sum of $175,000 for the purchase of a new rescue truck and to authorize the selectmen to withdraw the accumulated principal and interest from the Fire Equipment Capital Reserve Fund for this purpose. The Selectmen recommend this article. 3-0

The article was moved and seconded as read. Discussion of the cost of this truck ensued, including why a new as opposed to an older truck is warranted. Mr. John Bunce then moved: To see if the Town will vote to raise and appropriate the sum of $80,000 to purchase a used rescue truck and to authorize the selectmen to withdraw the accumulated principal and interest from the Fire Equipment Capital Reserve Fund for this purpose. The amendment was seconded and discussed. Fire Chief Rick Lothrop explained why a new truck would be preferable, including the difficulty of trying to retrofit an older vehicle to suit today's needs. The amendment lost by voice vote and the original article was defeated by voice vote.

18. To see if the Town will vote to raise and appropriate the sum of $500 for the proper expenses for Emergency Management. This article is recommended by the Nelson Emergency Management Director.

The article was moved and seconded as read and with no discussion passed by voice vote.

19. To see if the Town will vote to raise and appropriate the sum of $37,000 for the proper expenses of the Police Department. (The appropriation for 2010 was $37,000). The Selectmen recommend this article. 3-0

The article was moved and seconded as read, and with no discussion was passed by voice vote.

20. To see if the Town will vote to raise and appropriate the sum of $4,000 for the purpose of patrols performed by the Nelson Police Department for the State of NH, Cheshire County, Sheriff's Office and other authorized municipal entities. This sum to come from offsetting grants and no amount will be raised through taxation.

The article was moved and seconded as read and with no discussion was passed by unanimous voice vote.

21. To see if the town will vote to raise and appropriate the sum of $10,000 to be added to the Police Equipment Capital Reserve Fund. No withdrawals may be made from this fund except by vote of the town and with the recommendation of the Police Chief. The selectmen recommend this article. 3-0 (The fund balance as of December 31, 2010 was $551.54).

The article was moved and seconded as read and with no discussion was passed by voice vote.

ARTICLES DEALING WITH ROADS

22. To see if the Town will vote to raise and appropriate a sum of $219,000 for the purpose of maintenance of highways and bridges for ensuing year's budget. This will be offset by any Highway Block Grant monies, estimated at this time to be $43,183.02. The rest ($175,816.98) is to be raised by taxes. In 2010 the sum of $176,247 was raised by taxes. The Selectmen recommend this article. 3-0

The article was moved and seconded as read. Ms. Karen Tolman asked if the Town is prepared to handle the reduction sure to occur in the amounts we receive for Block Grants, Rooms & Meals tax, etc. An amendment was offered to strike from the article as presented the sentence "The rest ($175,816.98) is to be raised by taxes. In 2010 the sum of $176,247 was raised by taxes." The amendment passed by unanimous voice vote, and the article as amended was passed by voice vote.

23. To see if the town will vote to raise and appropriate a sum not to exceed $115,000 for the purchase of a new highway vehicle, and to authorize the Selectmen to withdraw $50,000 from the Road Equipment Capital Reserve Fund as a down payment of the balance at time of purchase. There will be a trade in of two trucks at the time of purchase and the revenues will go to the purchase of the new vehicle. The Road equipment Committee, which includes the Selectmen, recommends this appropriation. (Balance in the fund as of 12/31/2010 was $61,665.77) 3-0

The article was moved and seconded as read. Considerable discussion ensued concerning the vehicle to be purchased and the amount requested in the warrant article as presented. Ultimately Mr. Blaudschun, Selectman, offered an amendment to increase the amount of the request from $115,000 to $165,000. This amount reflects the cost of the truck, while the amount to be raised in the original article was the net amount to be raised by taxes. This amendment passed by voice vote. Discussion continued for some time on the need for this vehicle. A motion to call for the vote passed unanimously, and the article as amended was passed by voice vote.

24. To see if the Town will vote to raise and appropriate the sum of $20,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the town upon recommendation of the Road Equipment Committee. The Fund balance on 12/31/2010 was $61,665.77. The Road Equipment Committee (which includes the Selectmen) recommends this appropriation. 3-0

The article was moved and seconded as read. Select Board Chair Blaudschun made a motion to amend the amount of this article from $20,000. To $1.00. The motion was seconded and passed unanimously. The article as amended was passed by voice vote.

25. To see if the Town will vote to raise and appropriate the sum of $30,000 and not to exceed that amount, for the total expense of the comprehensive Nelson Tax Mapping Program. This article is non-lapsing, and will not lapse till 12/31/2014. The payments will not exceed $10,000 per year The Selectmen recommend this article. 3-0

The article was moved and seconded as read. Margaret Schillemat and Michael Blaudschun, speaking for the Select Board, explained the continued need for updated maps. After some discussion the article passed by voice vote.

ARTICLES DEALING WITH PLANNING & ZONING

26. To see if the Town will vote to raise and appropriate the sum of $731.00 for dues to belong to the Southwest Region Planning Commission. (The appropriation for 2010 was$728.00).

The article was moved and seconded as read. With no discussion it passed by unanimous voice vote.

WORK FORCE HOUSING WARRANT ARTICLE

27. To see if the Town will vote to amend the Zoning Ordinance by adding:

"Article 11:3 Workforce Housing

Are you in favor of the adoption of the amendment to the existing zoning ordinance as proposed by the Planning Board?

Nelson shall not prohibit reasonable and realistic opportunities for affordable Workforce Housing to the extent permitted by the Nelson Zoning Ordinance, or as required by RSA 674:59, using whichever standard is more favorable to such opportunities." Submitted by the Planning Board by unanimous vote.

This article was voted on in the voting booth along with the election of officers. The ballot results are as follows:

YES 106 NO 31

OTHER ARTICLES

Warrant Article for Nelson Agricultural Commission

28. To see if the Town will vote to establish an Agricultural Commission pursuant to RSA 674:44 e through g; and that the Select Board shall appoint five (5) regular members and three (3) alternate members. Whenever possible, the majority of both the regular and alternate members shall be or have been actively engaged in agricultural pursuits. Upon passage, the current members of the Nelson Agricultural Steering Committee shall be nominated to the Agricultural Commission. Subsequently, all new members shall be selected from a list of nominees provided to the Select Board by the Agricultural Commission.

The article was moved and seconded as read. Mr. David Voymas, Planning Board Chair, explained the article and noted that the Planning Board supports it. The enabling legislation was passed by our legislators in 2007 and several towns either have adopted this legislation or are in the process of doing so. With little discussion the article passed by unanimous voice vote.

29. To see if the Town will raise and appropriate the sum of $500.00 for the proper expenses of the Agricultural Commission.

The article was moved and seconded as read and with little discussion was passed by unanimous voice vote.

30. To see if the Town will vote to institute the following policies for the use of town owned buildings (excluding the Town Hall) and land by residents holding alcohol-free events:

1) Nelson residents or organizations will schedule use of buildings or lands with the town sexton.

2) Nelson residents or organizations will pay a deposit to cover the cost of cleaning (or mowing, in the case of the ball field or town common) which will be refundable if cleaning and/or mowing is/are done by the party using the facility.

3) Nelson residents or organizations using Town facilities will sign an Indemnity agreement.

4) Residents are not required to pay for police presence.

This is a petitioned article.

The article was moved and seconded as read. This petitioned article was initiated by the Moving In Step group, who are seeking to find additional spaces for meetings and social gatherings. There was some question about duplication of effort, since the Selectmen are responsible for the use of all town buildings and already do rent or allow use of the available spaces. A question also arose about the legality of an individual private group seeking to be in charge of scheduling and use of town-owned buildings. Several townspeople made it clear that they question the fact that although town-wide labor built the new Safety Building, townspeople are now excluded from using it. Police Chief Richard Pratt was allowed to speak to this issue. Chief Pratt noted that the Safety Building was constructed to provide protection and service, and not to accommodate social groups of any kind. He continued that an expanded use of the building could create situations where he might need to escort someone he has arrested into his office while the building, including the area near his office, is being used for a private gathering. This would both violate the individual's right to privacy and disrupt a social meeting or gathering. The building was appropriately available to townspeople during the 2008 ice storm, but in Chief Pratt's opinion should be not be open for general use except during emergencies. The article was defeated by voice vote.

At 12:30 a.m., Moderator Church asked if there were any additional items which could legally be brought before the meeting, and hearing none, called for a motion to adjourn. There was a very tired but firm affirmative response from the large remaining assembly.

Respectfully submitted,

Theresa M. Upton
Town Clerk/Tax Collector

MARCH 2011 NELSON TOWN MEETING MINUTES: CORRECTION TO ARTICLE #23

23. To see if the town will vote to raise and appropriate a sum not to exceed $115,000 for the purchase of a new highway vehicle, and to authorize the Selectmen to withdraw $50,000 from the Road Equipment Capital Reserve Fund as a down payment of the balance at time of purchase. There will be a trade in of two trucks at the time of purchase and the revenues will go to the purchase of the new vehicle. The Road equipment Committee, which includes the Selectmen, recommends this appropriation. (Balance in the fund as of 12/31/2010 was $61,665.77) 3-0

The article was moved and seconded as read. Considerable discussion ensued concerning the vehicle to be purchased and the amount requested in the warrant article as presented. Ultimately Mr. Blaudschun, Selectman, offered an amendment to increase the amount of the request from $115,000 to $165,000. This amount reflects the cost of the truck, while the amount to be raised in the original article was the net amount to be raised by taxes. It was also amended to include the word lease. The amendment reads as follows: To see if the town will vote to raise and appropriate a sum not to exceed $165,000 for the purchase/lease of a new highway vehicle, and to authorize the Selectmen to withdraw $50,000 from the Road Equipment Capital Reserve Fund as a down payment of the balance at time of lease/purchase. The remaining amount due will be financed over a five year term. There will be a trade in of two trucks at the time of purchase and the revenues will go to the purchase of the new vehicle.

This amendment passed by voice vote. Discussion continued for some time on the need for this vehicle. A motion to call for the vote passed unanimously, and the article as amended was passed by voice vote.

I certify that this correction is done of my own free will, as a result of information shown to me on this date. No voice recording of the meeting was made. Additional reliable notes from this meeting indicate sufficiently to me that these changes should have been included in my original meeting minutes completed in March 2011.

Signed: Theresa M. Upton, Town Clerk/Tax Collector November 16, 2011

VITAL STATISTICS - 2011

BIRTH

DATE OF BIRTH	CHILD'S NAME	FATHER'S NAME	MOTHER'S NAME	PLACE OF BIRTH

Residents who have a birth, marriage, or death in their family, must make sure that NELSON is listed as their town of legal residence (do not use your mailing address). This is necessary to assure accurate recording of Nelson's Vital Statistics on the state and local levels. Thank you.

Theresa M. Upton, Town Clerk/Tax Collector

NELSON MUNICIPAL RECORDS BOARD
REPORT TO THE TOWN – 2011

July 2011 saw the revival of our local Municipal Records Board, which had been inactive since 2006.This board is responsible for the proper disposition and storage of town records, and is authorized under RSA 33-A. RSA 33-A is explicit in its requirements and clear in its objectives, and includes the retention list for documents produced by officers, boards and committees. With this information, we went upstairs in the schoolhouse to assess how we would begin what we immediately realized would be a monumental task.

Upon sight of the accumulated mishmash of boxes, broken and discarded items, antiquated and bulky electronic equipment and general mess, the committee determined that the first thing to be done was to create both a clean and healthy environment and a space where the committee could do its work. One of our goals was to take as much weight as possible off the upstairs floor and to re-distribute the remaining weight to the outside walls where it would be safer to store heavier items.

So we began. Week after week we worked: separating the trash from the recyclables, boxes of records and sundry discarded items stored there "just in case." We found places to recycle the electronic items and drove them to their destination. Members drove some of the paper recyclables (old stationery with outdated addresses, pre-computer forms, etc.) which were too oxidized and dirty to be useful in the office today, to the recycling center. Old manuals and paperwork from various seminars, catalogues and the like were also removed. All materials to be shredded were put in the front room upstairs, where they remain. Nothing has been shredded to date. We gave two easy chairs, too small for adults but perfect for children, to the library for their children's corner, and posted a notice to Nelson residents advertising the few other marketable items for which the Town offices had no use. The funds were then deposited with the town and will help defray the costs of shredding. The working conditions were not healthy, and several members went home each week wheezing and coughing from the many years of accumulated dust, grime and rodent droppings as well as the many layers of mouse and rat poisons used over the years.

The windows, the window sills, the floor, the file cabinets and the shelving were vacuumed and washed, and the cabinets were re-arranged for greater efficiency. Boxes containing police records were moved to the front of the upstairs schoolhouse where police uniforms and other items were stored. Eventually our police chief removed most of the police files and other items. The window in the back room that leads to the fire escape and provides the safety exit mandated by law could not be opened. Dave Birchenough worked several hours to free the window from the sill where it was firmly stuck, persevering until the window was once again useful in case of an emergency.

We are very proud of our accomplishments. In six months, we exercised more stewardship of the upstairs storage area and of the building itself than has been afforded to that space in many years. We are continuing our work to the best of our abilities and will be in touch with all boards, committees and town officers within the near future to ask for their cooperation in preserving Nelson records, both those mandated by state law and those of special significance to the town.

Respectfully submitted,

Dave Birchenough
Susan Hansel
Edith Notman
John Shea
Teri Upton, Chair

REPORT OF THE NELSON TOWN ARCHIVIST

Work continued on indexing and organizing material in the archives to make it available for inquiries from residents, visitors, and researchers who ask to for information from our records.

This year, $5,322 was awarded to the archives from the Conservation License Plate Grant, more popularly known as the Moose Plate Grant, to conserve 5 books of Nelson records from 1802 to1885. This grant will conserve, microfilm and digitize these historic records which were deteriorating because of poor storage environments in the past.

A commemoration of the beginning of the Civil War 150 years ago is focus of an exhibit in the History Corner of the town office. Material from the archives was added to by contributions from Ron Trudelle, Rick Church and Dave Birchenough.

A malfunction of the HVAC system in November caused some water damage to a large box of records which had to be dried outside the archives. They were returned to the archives just before access to further work in the archives was denied by the selectmen for undisclosed reasons. These records will be sorted and reorganized when access to the archives has been restored hopefully, early next year.

Respectfully submitted,
Roberta Wingerson, Town Archivist
Susan Hansel, Assistant

REPORT OF THE NELSON CEMETERY BOARD

2011 was another busy year for the Cemetery Board.
Owen Iselin resigned as sexton early in July. The Cemetery Board accepted his resignation and voted in Bob Jones as interim sexton on July 19. Bob has continued the practice of utilizing inmates from the Cheshire County Jail for maintenance of both the Munsonville and Nelson Cemeteries, a considerable economy for the town.
The rebuilding of the Nelson Cemetery's main gate pillars was completed by James Rodrigues, as per last year's Town Meeting Warrant Article #8. The Board was pleased with Mr. Rodrigues' work, and many townspeople have expressed their appreciation for and satisfaction with this project. Because the foundations for the pillars remained viable, we came in under budget and were able to complete two small additional projects. A length of the stone walls on either side of the pillars was straightened, and the rough dirt paths between the large and small pillars were surfaced. In addition, pvc pipe was inserted inside the pillars so they can be wired for lights in years to come. The gates were re-hinged with a new design to facilitate ease of opening and closing, and supplies were purchased to refinish them in the spring.
The work of updating maps and spreadsheet records for the Nelson Cemetery Section #2, previously referred to as the "new cemetery," continues. Our review of titles for lots sold and the updating of maps has been completed and our spreadsheets will be corrected in the near future.
Residents may be interested to know that a cemetery map showing the lots, in Section 1, previously referred to as the "old cemetery," is available for review in the Town Office. The same information can be found in Parke Struthers' History of Nelson. The Munsonville Cemetery has been mapped in two separate Eagle Scout projects in recent years and we hope to have all of this information available on the Town website eventually.
There were two cremations and two full burials in the Nelson Cemetery this year, and two cemetery lots were sold.
Please contact Trisha Jones if you have any questions or concerns about our town's cemeteries.

Respectfully submitted,

Trisha Jones, Cemetery Board Chair
Judi Lang, Edith Notman, and Teri Upton, Board Members Tom Newcombe, Interim Board Member
Bob Jones, Interim Cemetery Sexton

REPORT OF THE AGRICULTURAL COMMISSION

The Nelson Agricultural Commission was established by vote of the 2011 Town Meeting. Since then, the Commission has met monthly.

In April, two members attended the first Cheshire County meeting of several newly-formed commissions. It was exciting to see share the level of enthusiasm for local agriculture.

In July, the Commission presented "Gas, Gardens and Ghosts" as part of the Library Summer Forum series. The presentation addressed some of the ethical dilemmas of the distance our food travels from farm to table, with their attendant environmental and social implications. The conclusion was an open-ended appeal to think more locally about food. The presentation was well attended, and followed by a lively discussion.

Also at the July forum, the Commission rolled out the first edition of the "Nelson Agricultural and Forestry Products" directory; copies of the directory are available from Commission members.

There have been two meetings with the Harrisville Agricultural Commission, to discuss plans for a joint Farmers' Market this summer. This idea has strong support from both communities.

The new Agricultural Commission continues to refine its sense of mission. We see ourselves as serving the agricultural community in town and as an educational outreach to all Nelson residents.

Visitors are always welcome to attend out meetings, which are held on the first Wednesday of each month.

Respectfully submitted,
David Voymas, Chairperson

REPORT OF THE PLANNING BOARD

This year; the Planning Board has attempted to work collaboratively with other town boards and commissions. In January, the Board met with the ZBA to discuss common concerns over ambiguous language in the zoning ordinance. There are a number of works and phrases in the ordinance that need to be redefined and clarified.

In May and October, the Board met with the Conservation Commission to discuss the relative advantages of Current Use and Conservation Easements. At the second of these meetings, we were joined by Charles Levesque of Innovative Land Resource Strategies, who shared his expertise on the matter.

Through the year, the Board has held ongoing discussions on long-range planning for the town.

We have considered the adoption of an occupancy permit process, and held a well-attended public hearing on this subject in January of 2012. As of this writing, this matter is still pending before the Board.

There was one application for a voluntary merger of two lots, which the Board approved.

Respectfully submitted,
David Voymas, Chairperson

REPORT OF THE TRUSTEES OF TRUST FUNDS

The Town's conservative investment policy has continued to afford modest and stable returns in this difficult investment climate. No changes are presently contemplated.

The two continuing Trustees would like to thank Peter Brnger for his service as a Trustee. We are happy to welcome Tom Newcombe, who has agreed to serve as interim Trustee.

Respectfully submitted,
Trisha Jones, Tom Newcombe, Edith Notman, Trustees of the Trust Funds

REPORT OF THE ZONING BOARD OF ADJUSTMENT

2011 was a quiet year for the Zoning Board of Adjustment. We met only a couple of times to hear variance requests, and the highlight of the year was a joint meeting with the Planning Board to discuss how both boards can work together and share relevant information more easily. On a low note, we say goodbye to our wonderful clerk, Carol Raynor, who will be missed.
We are always looking for alternates and future board members. If any Nelson resident is interested please contact Richard Popovic.

Respectfully submitted,
Richard Popovic
Chair, Nelson Zoning Board of Adjustment

Emergency Management Report

A shelter inventory was performed throughout the state. They utilized a grant and the AmeriCorps group for this activity. AmeriCorps utilized college students during their summer break to complete this survey, traveling throughout the state. Both the shelter at the Safety Complex and the Nelson School were reviewed, inventoried and the information updated on the state listing.
Attended meetings with the Greater Monadnock Public Health Network, which is the Southwestern NH's regional coordinating committee for public health hazards. Our regional area was updated after the state realigned the emergency management districts during the year. The redistricting required minor updates to our POD (Point of distribution) with Stoddard and Sullivan. WebEOC training was also taken at the Marlborough School for support of Emergency Operation Center, its operations and management.
Additional updates were done to the E911 database through the state and attended meetings with the regional NH HSEM Field Services.
As in past years I would like to thank all of the town's people who have helped this year in supporting our Emergency Management activities. As we move ahead, continued work will be done to better prepare ourselves for any type of emergency.

Respectfully Submitted,

Rick Lothrop
Emergency Management Director

NELSON FIRE LOG

Chemical Spills/Gas leaks – 4	Chimney Fire – 1	CO Detector – 1
Down Power Line – 5	EMS Rescue – 28	False Alarms – 11
Investigations – 2	Motor Vehicle Accident – 6	Motor Vehicle Fire – 2
Mutual Aid – 2	Other – 4	Service Calls -1

REPORT OF THE NELSON FIRE CHIEF

Our fire log as shown above is showing a slight decrease in the number of calls compared to last year. Last year our calls had almost doubled compared to the previous ten years where we had been averaging around 38 calls per year. This year we have had 65, a slight drop from last year. Rescue calls continue to dominate our activity.

Training has continued as a main emphasis. Area fire chiefs from Harrisville, Hancock, Dublin, and Nelson got together and developed a training program last year. Course was based on state Firefighter 1 course. Harrisville hosted the activities. All those who attended had a very good refresher. Radio training was also provided in the Fall by Southwestern Fire Mutual and Dispatch which was well attended. Department continued with its bi-weekly training during late spring, summer, and early fall. Various exercises were done around the town.

The Safety & Highway building has had its Internet connection update during this past year. This continues to be a big plus for us in support of our operations. Our mutual aid system utilizes "FireHouse" software for managing and recording all calls. This was put in place a few years back and is a great asset to our reporting and record keeping on calls. Our interface is done over the Internet, reaching the server with a web browser for data entry, corrections and reporting. Monthly reporting is a requirement by the federal government.

This year we are going through an update of our AED's throughout the town. Our present units are At the end of their life per the manufacturer, not meeting or being able to be updated to meet the latest standards and requirements. Through the benefit of an anonymous donor we have already Replaced three (3) units. We hope that you will support the replacement of the other three remaining units with your vote at town meeting.

Also, under direction from the state, we have been putting in equipment and procedures to better comply with requirements from the state's Department of Labor. Subtle work has been done with Regard to safer storage of hazardous material and improvements to the working environment for both safety and health requirements. More work continues on this.

We continue to have a core group of people involved with the department but we are always Interested and looking out for new individuals who would like to join. Again, the department will Support any training activity to assist those individuals who are interested in joining.

As mentioned in last year's report, grant funding continues to be an aid to our operation. We finally Took delivery this past year of the new base station which has been installed at the Nelson Center Station on Old Stoddard Road. Mutual Aid had worked hard to finally purchase this unit and get it Installed for us. It has multiple channels, over 100, to allow us to communicate with fire, police and other state agencies if they were to come to our area during a regional disaster. Its proximity to the Emergency Management additionally allows it to perform a dual function, both Fire and Emergency Management. With regard to grants, the new forestry equipment from the matching grant (total $2,500) that we had applied for through the state is now all in place. Additional tools and equipment are now on our forestry truck.

Remember; be sure to call the town Forest Fire Warden, myself, or any one of the Deputy Wardens, Bud French, Charlie Lang, and Terry Mednick for a burning permit. Permits are required even if Raining, unless there is an inch or more of snow on the ground.

Also; check your smoke detectors and replace the batteries on a regular basis, at lease annually. If You don't have a smoke detector, please purchase one or two and install them in the appropriate locations. If you do have smoke detectors, again, be sure to change the batteries on a regular basis. They may save your life or your families someday.

Again as in years past, I would like to thank all the active members for their continued effort, support And hours of volunteer service. I'd also like to thank the surrounding towns for their mutual aid Assistance when needed and our fellow town's people for their support at the various emergency scenes. Remember, to report a fire or other emergency, Dial 911 or 532-1100.

Respectfully,
Rick Lothrop
Nelson Fire Chief
Nelson Forest Fire Warden

Fire Permits

As stated in RSA 227-L:17, I&II (NH State Law). "No person, firm or corporation shall kindle or Cause to be kindled any fire or shall burn or cause to be burned any material, except when the ground is covered with snow, without first obtaining a written fire permit from the forest fire warden of the town or city where the burning is to be done.
Burning by permit may be done before 9 AM or after 5 PM. If it is necessary to burn during the day for commercial purposes, a special permit is required from the state Forest Ranger. It is also possible to burn during the day if it is raining; however, a written permit is still required. Written permission is required if an individual wishes to burn on land belonging to someone else, as well. If individuals wish to burn in a incinerator, a seasonal permit may be issued, but the burning must still be done before 9 AM or after 5 PM. In Nelson, there is no charge for these permits at this time. Remember, there is no open burning in trash barrels.

Respectfully submitted,

Rick Lothrop
Forest Fire Warden
Town of Nelson

TOWN OF NELSON ROAD AGENT REPORT
2011

The winter of 2010 – 2011 kept the Nelson Highway Department very busy with record snowfall. With this deep snow, we were glad to see the slow snow melt with no significant washouts or road damage. We were glad to see the spring only bringing expected amounts of mud. There were no additional projects passed or assigned for the road crew over the summer and fall months. Normal road maintenance was performed with the grading of roads, cleaning of ditches, upkeep of culverts, and roadside mowing. No additional crews were needed for hire over this past year. The hauling of winter sand and salt was completed: stockpiling it into the new building just in time for the record breaking Halloween Nor-Easter dropping over two feet of snow. With this snow now melted, the Nelson Road Crew had a lot to be thankful for this Thanksgiving. On Wednesday, November 23, 2011, the new, completely outfitted, heavy duty, Peterbilt dump truck was delivered. Unfortunately, the truck did not arrive in time for the extremely early snow storm back in October. Although this truck has not seen much activity with the mild winter season we've been experiencing, it has been put to good use hauling necessary materials.

I would personally like to thank the Selectmen, members of the Road Equipment Committee, and the other Town Officials for all of their help and support. As always, thanks go out to Nick Barrett and for his help and many hours of hard work this past year.

The Highway Department does appreciate updates on road conditions in your area. The Road Crew will respond to any problems in a timely manner.

Respectfully submitted
by Mike Tarr, Nelson Road Agent

Nelson Police Chief's Annual Report

Another year has come and gone. In the last few days I've taken some time to review 2011. The first thing I'd like to do is express my thanks to the residents of Nelson. You have helped this department in more ways than you know. From your quick action in reporting problems, to the cooperative way you have dealt with me and the other officers. We all thank you.

We believe that our increased presence in Town has contributed to a decrease in the number of calls for police assistance in 2011. Calls for police assistance may come for many reasons with varying degrees of urgency. Some calls we handle include traffic accidents, Domestic violence or other family situations, suspicious people, noise, or vehicles, burglaries, vandalism, fights, etc. When a call comes in you never know what to expect but we do try to be prepared as much as possible. As we have come to know each other better we have also come to count on your observations giving us eyes and ears throughout the Town. You have all been a big help.

In 2011 Officer Brian Lord was involved in a motor vehicle accident. Thankfully, Brian was not hurt but the Crown Victoria was totaled. We were very fortunate to receive a newer 1998 Chevrolet Blazer, four wheel drive, as a donation from Leon's Auto in Keene. No Town funds were used for this. Having this Blazer helps keep the mileage down on the 2004 Ford Expedition which should extend that vehicle's life. We are most grateful to Leon's.

Typically January is a slow month but this year we've logged 35 calls for service. Several towns around us have experienced burglaries which is a great cause for concern. So far Nelson has none but we ask that everyone stay alert and call right away if you see anything out of the ordinary.

Again, thank you. We welcome your questions or concerns and would be happy to talk with you at any time.

Chief Richard Pratt

Sergeant Robert O'Connor
Officer Brian Lord

Report of the Nelson Conservation Commission

Great news, another piece of land is in conservation easement gratitude to Maury and Martha Collins and the Harris Center for a great deed done.
The Conservation Commission and Planning Board jointly hosted Charles Levesque who is a consultant and expert on current use. He spoke to our boards here in Nelson. He was well received and answered many questions. Thanks to David Voymas and the Planning Board for co-sponsoring this meeting.

The annual roadside cleanup was held on the Saturday before Old Home Week so our town would look its best during the week's activities. Again, it was well supported by 35 residents and visitors. Hundreds more daffodils have been planted along our roadsides as a reward from NH the Beautiful who sponsor roadside cleanups statewide. Thanks to the Nelson School students who helped plant some of the bulbs at the library as a school project this year.

We supported the Lake Host Programs in Nelson and hope to do so again this year.

We are fortunate that another property is now under a conservation easement on Silver Lake. With the foresight of our selectmen they were able to come up with a solution that worked out great for all involved. The town's appreciation goes to the Selectmen involved: Jane Kirk, Mike Blaudschun, Margaret Schillemat, and Warren Hammack.

The Commission continues to provide information on conservation matters, review DES permits and issues, and meet monthly where residents can discuss any environmental concerns they may have. Our meeting is held on the third Tuesday of the month at 7 p.m. in the Olivia Rodham Library.

Respectfully submitted,
Bud French, Chairman, Barbara Fraser, Marshall Davenson, Margaret Schillemat, Bert Wingerson, Lucy Daniels, and Alternates Anne McBride and Kathy Schillemat

A NOTE FROM THE OFFICE STAFF

For several weeks work has been underway to bring multiple accounting practices of the past into alignment with the New Hampshire Department of Revenue.
It has been a challenge to dissect the many layers of accounting methods used over several years. The assignment of code numbers was simply a personal preference and had no consistent format. As progress continues all code numbers for Nelson's Chart of Accounts will follow those used by the State. When complete this will make for a seamless flow of accounting information required by the New Hampshire Department of Revenue.
The format is consolidated and precise but still allows for more detailed information for presentation to voters.
As we continue to make these improvements we respectfully request your patience and we always welcome your questions.

Respectfully submitted,
Edie Drinkwater, Administrative Assistant
Anita Treloar, Financial Clerk

2011 Report of the Olivia Rodham Memorial Library

The Olivia Rodham Memorial Library staff is in the process of automating the library's cataloging and circulation system using "Library World", a web based support system. We have uploaded three quarters of our catalog to "Library World", to begin the process. Our current project is bar coding all of the collection. This will enable the library to have current circulation records on all items in the library, the ability to email automated over due notices, and a catalog that is up to date and easy to access. Patrons can now see what is available in the library and reserve material via the internet from their home or from their i phone. The web address for this is http://opac.libraryworld.com/opac/signin?libraryname=nelson. They may also request an email of current items they have checked out. Completion of this project, with proper funding, is estimated to take two more years. The library still offers the traditional services if you prefer the library to be just as it was. No internet is necessary.

After a rapid increase in recent years the use of the library, for books and for other media uses has stabilized. However some areas continue to increase. This year Olivia Rodham Memorial Library has seen growth over 50% in the use of the NH down-loadable audiobooks and e Books program. e Books and Audiobooks through NH Downloadable Books on Overdrive (http://nh.lib.overdrive.com) are now available to check out for all patrons of the Olivia Rodham Memorial Library who have a home computer with internet access. We still offer many of the favorite services we always have, including, a continuing fine selection of books, periodicals, audio books, videos and DVDs, adult programs and children's programs, interlibrary loan, and the town website. Computer usage, with high speed DSL, is down 33% this year, because of the availability of DSL in the town of Nelson. The Nelson library still has delivery once a week, on Friday, of interlibrary loan materials. The library building is also used by other groups in the town, for meetings. It has been opened for conservation board, the counting of votes, the touring Elder Hostel groups, just to name a few. The library has become an essential part of the community for education, enjoyment and the meeting of minds.

Children's library programs include summer reading, author talks, an educational reptile show, weekly story time, and educational school events. During the month of April, the library sponsored a traveling doll display. Every doll (over 100 were represented) was accompanied by a book about them. In the summer months Nelson Library invited children to participate in the 2011 Summer Reading Program: *One World May Stories*. We awarded Toadstool gift certificates (donated by the Friends of the Library) and presented prizes (donated by 10 local businesses) to readers. This annual statewide program is sponsored by CHILIS (Children's Librarians of NH). In Nelson 15 children read 301 books during this summer's program. The library set aside an afternoon for the children to come and participate in a program, organized and presented by Jacqueline Roland. Story time with an activity and an art project attracted a group of about nine children. The culminating event for the summer, with 99 people in attendance,

Reptiles on the Move came to entertain the community in Nelson on August 10th in the Nelson Town Hall. Reptiles of all sizes and shapes were passed around for the audience to touch and hold, and the presenter talked about the responsibility of caring for a reptile and scientific facts about reptiles. When the turtles and tortoises came out the audience was able to get up and mingle with them. We had many comments from young and old about all they saw. This program was supported in part by a grant from the New Hampshire State Library and donations from the Bryne Foundation, CHILIS, Cogswell Benevolent Trust, and the NH Library Association. The Nelson librarian wrote and received the grant, *Kids, Books and Arts*.

Adult library programs include a summer forum with guest speakers, and the adult book group. This year's forum speakers and topics were diverse and educational: Pamela White & Warren Hammack – *"Experiences in the Theater"*, Bob McQuillen - *"Old Time Nelson Tunes and Stories"*, Al Stoops- *"A Walk in the Woods of Nelson"*, and The Nelson Agricultural Commission - *"How Many MPG Does Your Garden Get? or How to Stop Eating Fuel"*.Our last summer program was *"She Plumb Ned, She More'n Plumb* with Dudley Laufman reading poetry from his new book. The adult book group meets once a month on the third Monday of the month. We read and discuss novels, memoirs and biographies. Game night was a great success. During the winter months more than a dozen of us met on the first Tuesday to play Scrabble, Dominoes, Bananagrams, Trumpet and other games. The library has become a place for many conversations and activities, both serious and enjoyable, among the community members.

The Friends of the Library is a group that helps to preserve, support and strengthen the library. They consist of enthusiastic library supporters who believe in the importance of the library as the social and intellectual center of the community. Members organize fundraisers to support programming, purchase new books and other items needed by the library that are not included in the budget. In Nelson the big fund raiser is the book sale during Old Home Day.
Many hands helped to make this year's library book sale a huge success. Thanks to the help of many Nelson residents the sale on Old Home Day made $1343.75 to enable the Friends of the Olivia Rodham Library to donate $1000.00 for new books, pay for the summer reading certificates for the children, provide money toward children's programming and pay the $395 annual fee for Library World. Books are donated year round so that there is always a good selection for sale. The Friends also encourage everyone to become members of the Friends knowing that the money goes back to benefit the library. The officers are as follows: Susan Hansel-President; Betsey Church- Treasurer; Carol Heath-Secretary; Members-at large: Martha Collins, Sandy Ferguson, Elaine Giacomo, Pamela White and Sara Sandberg.

Many people help keep the library running. The Library Trustees for this year were Linda Cates, Carol Raynor, Tom Tolman, Laurie Smith and Max Nunnemaker. Susan Hansel and Jennifer Fraser, are library substitutes. The library is thankful for the 472 hours that volunteers put in this year. Regular volunteers were Pamela Tolman, Betsey Church, Martha Collins, Robert Roland,

Kathy Schillemat, Jacqueline Roland, Barbara Roland, Ali Duke, Elena Mednick and Sara Sandberg. Terry Mednick voluntarily maintained our computers, and computer statistics programs are updated and archived by Tom Buttrick. Volunteers make a big difference in the quality of library service in your community, by sharing their time and talent.

Donations to the Library always play a large part in updating our collection. Our donors are The Friends of the Library, and George and Frances Alderson in memory of Bob and Hallie Robinson. Other Library funds used to purchase items for the collection were the Hardie Shepard Children's Book Fund, the Mary Patek Special Fund, the Nori Putzel Memorial Fund, the Mary Fiske Elliot Fund and the Henry Melville Fuller Fund. Many donations are made also of actual books, audio visual materials, and magazines.

Respectfully submitted,
Kristine Finnegan

Report Of The Olivia Rodham Memorial Library's Treasurer

"It was the best of times. It was the worst of times." ~ Charles Dickens

During this time of economic challenges, your Library continues to experience high numbers of usage and our hours have increased as well. Technology changes are being implemented to keep up with the needs of our patrons. Once again, our request for town funding has remained the same as in 2008. This pattern of increased expenditures without an increase in Town funding is unsustainable. As the economy improves, the Library will need additional Town funding.

The card catalog automation project, (or "Automation") continues into its next phase. The $2,836.00 in this year's budget, an increase of $1,741.00 will allow more hours to be devoted towards this project as well as for the purchase of necessary supplies. Usage of down loadable books, e books, audio books and the internet to research and reserve books will only increase into the future. We have applied for grant funding of this automation project and are hopeful that it will be awarded. If not, the Trustees have decided to fund the project from the Library's Memorial Funds. We anticipate the project's completion sometime in 2013.

In 2011 your Library received $2,346.00 from the Henry Melville Fuller Fund which is managed by The New Hampshire Charitable Foundation. We have already been informed of a 6% decrease in these funds for 2012.

The Gates Grants monies continue to provide inks for one of the printer/copies. In addition, we hold some of these funds in reserve for future upgrades and repairs for the PCs originally purchased with these funds.

Our supply costs were over budget this year, primarily due to the purchase of the new sandwich board sign that you have seen outside the Library from time to time. Though reimbursed by the Friends of the Library, it does show as a cost. Also, we had a paper donation in the past that threw off our estimate of supply expenses.

Once again, the $1,000.00 in contingency funds was untouched. We spent $1,630.00 from our Library Memorial Funds as opposed to the $4,431.00 that was in the budget this year to fund collection purchases and technology expenses such as down loadable books.

We remain ever grateful to our many friends and benefactors who support your Library in so many ways.

Respectfully submitted,
Laurie Smith
Library Trustee & Treasurer

MEMORIAL DAY CEREMONY REPORT

The 2011 Memorial Day Ceremonial Parade was held on Sunday, May 29th, in Nelson Village to honor our armed service men and women of the present and remember those of the past. The Nelson community came together as our very own Nelson Town Band played patriotic music that echoed across the hills as people gathered around the common.

Geraniums were placed at each war memorial as the parade marched around the common. The parade proceeded to the Nelson Village Cemetery with the beat of the drum and the waving of flags. All gathered in front of the monument in the center of the cemetery as our Scouts and young people placed geraniums at the veterans' gravesites. Reverend Dawn Garrett-Larsen, minister of the Nelson Congregational Church, offered words of remembrance for all members of our nation's armed services past and present, especially those serving in conflicts around the world today.

To close the ceremony the band played The Star Spangled Banner, which was followed by a rifle salute and Taps.

Respectfully submitted,

Kathy Blaudschun

REPORT OF THE OLD HOME WEEK COMMITTEE

The 133rd Nelson Old Home was celebrated on Saturday, August 13, 2011

Highlights of Old Home Week activities included:

- Old Home Sunday Worship Service at the Nelson Congregational Church
- Monday Night Contra Dance
- Apple Hill Music Center Evening Concert
- Olivia Rodham Memorial Library: Special presentation "Reptiles on the Move"
- Ham and Bean Supper held at the Nelson Congregational Church
- Monadnock Music Concert
- Old Home Week Committee: Capture the Flag @ Nelson Ball Fields
- Mock Drive-In Movie
- Friends of the Olivia Rodham Memorial Library Book Sale
- Photo Display of past Old Home Days
- Nelson Congregational Church Chicken BBQ
- Nelson Folks Concert

Old Home Day began with:

Friends of the Library book sale, bike race, and the famous Nelson Frog Jumping contest. Continuing with the many games on the common for all ages! They included: wheel barrel races, sack races, egg toss, watermelon eating contest, three legged races and the famous tug of war!

The Nelson Town Band began playing at noon on the church lawn as everyone gathered to eat their picnic lunches or Chicken BBQ. Ribbons were presented for winners of the morning games followed by our guest speaker.

Wendy Hall was our guest speaker, bringing a message of awareness to both young and old. Wendy, together with her husband, her son, and a small group of volunteers, runs the Adirondack Wildlife Refuge and Rehabilitation Center in Wilmington, New York. Wendy brought with her a small group of feathered friends, birds of prey that play key roles in the natural chain, and taught us how preserving the wellbeing of these can be of benefit to our community.

Nelson Fire Department Water Ball Contest came next, followed by the softball game at Eagle Field. No experience necessary and no age limits in this ball game! The activities ended with an evening of wonderfully talented local musicians at the Nelson Folks Concert.

The committee would like to thank ALL the people and organizations that donate their time and energy to keep this very special Nelson tradition of Nelson Old Home Week alive and well!

Respectfully submitted,

Nelson Old Home Week Committee: Kathy Blaudschun, Maureen and Brian Lord, Julio Razquin, Richard Pratt, Kathy Schillemat, Beth Williams, and Geoff Williams.

State of New Hampshire
Granite Lake Village District

The annual meeting of the Granite Lake Village District was held April 23, 2011 at 9:00 A.M. at the Chapel -by-the-Lake in Munsonville NH.
John Halter, Moderator, began the meeting by mentioning that in addition to the 7 warrant articles, there were 2 other items on the agenda. One was to update the progress of the meetings concerning the cell phone tower on Melville Hill. Many who had attended the zoning board meetings in Stoddard were opposed and seeking alternate sites, while AT & T was quite set on Melville Hill. The second item was to dedicate the plaque at the dam, which was held after the official meeting.

Article 1. An auditor, John Halter, was elected to fulfill a new state requirement that municipalities have an auditor.
Article 2. Bob Woods was re-elected commissioner for 3 years, John Halter for moderator 1 year; Barbara Ropiecki, treasurer for 1 year, Sally Ripley for clerk for 1 year.
Artcle 3. The District voted to raise and appropriate $5,000. to add to the Capital Reserve Fund for Dam Maintenance/repair/replacement est. Dec. 2008. Phil Hamilton explained that the dam would need to be re-faced in about 5 years and may cost upwards of $50,000.
Article 4. The District voted to raise and appropriate $2500. for District expenses.
Article 5. The District voted to appropriate $2273. left from last year's surplus to add to the Capital Reserve Fund for....Dec. 2008. This money was money that had been held by the Granite Lake Association from the early 1980's for the purpose of replacing or fixing the dam in the future before the Village District was founded.
Article 6. The District voted to raise and appropriate $750. to purchase liability insurance for the dam.
Article 7. The District voted to hold its next meeting April 21,2012 at 9:00 A.M. at the Chapel-by-the-Lake.
The meeting was adjourned and all walked down to the dam for a dedication. Agnes Yocono and Debbie Knight were present to see the plaque with their respective husbands' names revealed. Phil Hamilton was also recognized for his work.

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 13th day of March, 2012, at 3:00 in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 3:00 p.m. and will remain open for not less than five hours.

ARTICLE 1: To choose all necessary school district officers:

One School Board Member for three-year term

Given under our hands at said Nelson, this 1st day of February, 2012.

NELSON SCHOOL BOARD

Kelly M. French, Chair
Allison Aldrich
Michael L. Cornog

ADMINISTRATIVE REPORT

Nelson was recently selected as one of the three Blue Ribbon Schools in New Hampshire. This award honors public and private elementary, middle and high schools whose students achieve at very high levels or have made significant progress and helped close gaps in achievement especially among disadvantaged students. Each year since 1982, the U.S. Department of Education has sought out schools where students attain and maintain high academic goals, including those that beat the odds. Selection to the Blue Ribbon Schools Program honors public and private schools based on the following criteria:

> Schools whose students, regardless of backgrounds, are high performing. These schools ranked among the state's highest performing schools as measured by their performance on state assessments or in the case of private schools that score at the highest performance level on tests referenced by national norms in at least the most recent year tested.

Congratulations to the students and school community and thank you to staff members, who have invested their knowledge, skills, and dedication in assisting students in their learning each day.

Several changes on the national level will impact our Nelson students. One significant change is the new Common Core Standards which were finalized and released in June of 2010, and adopted by the New Hampshire Board of Education in July 2010.

Forty-three states have adopted these common grade-level expectations, as the movement to align nationwide what students are learning gains steam. The Common Core is the precursor to the Nationwide Assessment likely to be implemented by 2014.

Nelson students are doing very well at Keene Middle School and Keene High School. The overall attendance rate at KHS is 95%; Nelson's overall attendance rate is 95.7%.

Three Nelson seniors reported plans to attend post-secondary educational institutions last spring. These schools included: Southern Virginia University, SUNY Cobleskill and Keene State College.

At least one Nelson student participated in each of the following Keene High School co-curricular activities: A Cappela Choir, Alpine Skiing, Band, Boys Baseball JV, Boys Basketball JV, Boys Soccer, Boys Soccer JV, Boys Soccer Varsity, Boys Track, Boys Volleyball JV, Dance Team, Drama Club, Football, FFA, Girls Cross Country, Girls Track, Girls Volleyball Varsity, Golf JV, Jazz Band, Momentum and Softball JV.

The constructive working relationship between the school board and staff promotes continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and positive interaction with, the staff. One example of this is the recent school board/staff goal-setting retreat, which not only produced a focus around which planning and allocation of resources occurs, but also fosters an ongoing dynamic of cooperation and trust.

We invite you to visit Nelson School, attend a school-related activity, or participate in a school board meeting; we encourage you to attend the Annual District Meeting on Friday, March 9, 2012 at 7:00 p.m. Thank you for your support of Nelson's children and their education.

Wayne Woolridge
Co-Superintendent of Schools

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 9th day of March, 2012, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see if the District will vote to raise and appropriate the sum of $1,716,558 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

ARTICLE 3: To see if the District will vote to raise and appropriate up to $25,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2012, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends favorable action on this warrant article.)*

ARTICLE 4: To see if the District will vote to raise and appropriate up to $15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2012, to the Special Education/Middle and High School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education/ and or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2012 to fund this appropriation and the appropriation in Article 3 (Capital Reserve Fund), Article 3 will be funded first, with any additional surplus to be applied to this warrant article. *(The Nelson School Board recommends favorable action on this warrant article.)*

ARTICLE 5: To transact any other business that may legally come before this meeting.

Given under our hands at said Nelson, this 1st day of February, 2012.

NELSON SCHOOL BOARD

Kelly M. French, Chair
Allison Aldrich
Michael L. Cornog

Principal's Report 2011-2012

The 2011-2012 academic school year began with a total of 25 students in kindergarten through grade six. The school community welcomed two new students --Taelar's sister Morgan who is enrolled in the kindergarten program as well as Claire O'Meara who joined the fifth grade class. Claire, her Mom Brenna Walsh-Newell and her stepdad Ryan Newell are new to the Nelson community.

New to the Nelson School staff are Emilia Whippie and Jennifer Kiernan. Emilia teaches in the 5/6 classroom and grew up in the small town of Westmoreland. She is a graduate of Keene State College and was hoping to teach in a small town where community is important. In January of 2012, Emilia had students participate in Nelson School's very first Geography Bee. Her addition to the Nelson staff was a perfect fit. Jennifer Kiernan is our special education teacher. She came to us with experience from Franklin School and has done a wonderful job in supporting our inclusion efforts. Cindy Benner continues to teach in the 1/2 classroom, and Kristin Roach (formerly Kristin Mullins) teaches in the 3/4 classroom. Vicki Dowley, our inclusion tutor, supports students in all classrooms under the guidance of Jennifer Kiernan. Due to continued Title I funding, we are once again fortunate to be able to offer a Title I position. This position is held by Martha Silk, our most seasoned educator, who delivers supplemental services to students in grades K-6 in both reading and math.

Our specialists remain an integral part of Nelson School and bring the arts and wellness alive. This year the Nelson School Board made the decision to offer a Spanish program instead of a French program. Hannah Trombley was chosen for this position due to her love of the language and her ability to bring the Spanish language to life. This has been an easy, positive change for our students as they are able to find the connections between Spanish and English easily. Rebecca White, our new art teacher, creatively and genuinely engages students in the history of art and the techniques of artists before student projects begin which helps ensure students understand and appreciate the art they view and the art they create. Dan Durand, our physical education teacher, enriches the physical education program with rock climbing, snowshoeing, and skating. His program also offers an open physical education period where students of all ages are engaged in physical activity while interacting in multi-grade configurations. Our music teacher, Jennifer Hed, has brought the spirit and love of music alive in her carefully chosen selection of songs and dance. After a year's leave of absence, Becky Kohler, our guidance counselor, returned to us. In addition to mindfulness groups, Becky has also become the facilitator of student lunch groups where student concerns are discussed. Karen Nickerson, our school nurse, works her magic quietly and gently as she moves students along in their understanding of health and nutrition by introducing them to healthy food choices. This year lunch conversations revolve around "what is on your plate" as students identify the food groups that need to be present during each meal to remain healthy. Karen's depth of medical knowledge is a continued comfort and asset to parents and her alliance with the medical field is invaluable as we strive to continually update our policies. Nelson School students continue to enjoy a variety of fresh fruits and vegetables provided to them each afternoon through the federally funded Fresh Fruits and Vegetable program. Kim Keating, Nelson School's secretary is the friendly voice that greets parents, community members, and others when they call Nelson School. Kim is not only the secretary but also the woman who serves lunch and picks up all of the odds and end jobs that make a school function efficiently and effectively. And our school is kept clean by Rachel Lakin, who continues to find creative ways to encourage students and staff members to remember their responsibility in "picking up after themselves".

The annual School Board Retreat was held at the new SAU office on Maple Avenue in Keene in late October of 2011. Wayne Woolridge, Kelly French, Allison Aldrich, Kristin Roach, Emilia Whippie, Cindy Benner, and Jennifer Kiernan were present. Kelly French, the Chairman of the Nelson School Board, expressed her thankfulness for the group's ability to come together to set goals and shared that one of the School Board's goals is to support the staff and involve the community. After a rich discussion with input from all members of the retreat, the group agreed that <u>academics</u> and <u>community involvement</u> would be the two goals for the 2011-2012 academic school year.

In this age of teacher accountability and the expectation that students will meet prescribed benchmarks to demonstrate competency and proficiency, we continually monitor and assess student progress through the use of NECAP data, NWEA scores and DIBELS. The information that we glean from these various results, drives our instruction in our work with students.

REAP funds were used to replace non-functional classroom laptop computers and a typing program was purchased for the students in the 5/6 classroom. AREA money was used to hire Frank Sgmbati, a disabilities consultant from the University of New Hampshire, to guide us in becoming a more inclusive school for student with disabilities so all students can access the general curriculum and learn alongside their peers. Frank spends one day a month at Nelson School observing in classrooms, conferring with teachers, and making recommendations on simple ways of how to be more inclusive in our practice. Number Worlds, a complementary program to Every Day Mathematics, was purchased to help teachers provide grade level appropriate modifications for students who need extra assistance. REAP money was used to contract for a second year with Main Street Academix in our quest to continually improve school culture and provide students with a safe environment in which to learn. The Student Leadership Team initiative this year is to make the bus a safer place for all students.

Our affiliation with the Harris Center is an integral part of our science curriculum. The Harris Center for Conservation Education is dedicated to promoting understanding and respect for our natural environment through education of all ages, direct protection and exemplary stewardship of the region's natural resources and programs that encourage active participation in the great outdoors. This year students in grades K/1/2 studied organisms (worms) and composting, students in the 3/4 classroom studied birds, and the students in the 5/6 class turned their attention to ecology.

Community service work is a fundamental part of the tapestry of Nelson School. It is our goal to generate student involvement locally, regionally, and globally that impacts the lives of people in the world. Locally, we shared with the town offices, flowers that were cultivated in our raised beds, planted daffodil bulbs on the school grounds that were given to us by town members, painted mailboxes to hold guides for the trails that were developed in Nelson, and participated in Peace Day by decorating peace rocks which was recognized and featured in an article in the Keene Sentinel. Globally, Nelson School students once again raised money for UNICEF.

Each year the school and community work to create bonds with one another beyond the walls of the school. This year our partnership with Apple Hill continues as we enter into the second year of our Strings Program. Last year in June, the girls performed at Apple Hill and received a standing ovation. Sincere thanks to Val Van Meir, Lenny Matczynski, and Sarah Kim for their vision, determination, and willingness to create such an exceptional program for the students of Nelson School. Our holiday sing-a-long continues to grow and 20 members of our community joined us in singing festive, holiday songs. Deepening our ties with the community, 25 Nelson residents volunteered to become book pals to Nelson students. This year's chosen book is Anne of Green Gables. Each adult and child team are reading the same edition of the book and conversing with one another about the book through written correspondence. On February 9th, everyone will gather together and celebrate. This year the Nelson teaching staff continues to hold in high esteem the importance of community service as well as community involvement in the schools. Candyce Fulford shared her technology skills by volunteering her time to update the school's website. It is sophisticated, magnificent, and showcases the strengths of Nelson School. When you have the opportunity, please visit our new site at www.nelson.k12.nh.us/ and let us know what you think. In addition to our new website, both Gordon Peery and Elizabeth Williams include school news when appropriate on the town website as well as the Grapevine. Our pancake breakfasts, which started out as a simple fundraising activity for each class's sixth grade trip, has become a community event enjoyed and beloved by all who attend.

A school is only as strong as its community support, staff commitment, and volunteers. A heart-felt "thank you" to Joy Birdsey, Kerry Carlisle, Candyce Fulford, Becky Hull, Anna Philbrick, Al Stoops, Jessica Walker, Cindy Benner, Kristin Roach, and Emilia Whippie, for recognizing the need and importance of a vital parent teacher organization and working collaboratively to brainstorm and organize the Nelson Auction. Once again, the students will have a voice in helping determine the school's needs. This year the money raised will be ear-marked for our greenhouse as well as a "play house" that students have requested.

The PTO continues to play a vital role in the tapestry of Nelson School. Due to their generosity, Monadnock Music's widely acclaimed, innovative outreach program "Lend an Ear" is enjoyed by all Nelson School students. This program enriches the curriculum by exposing students to a variety of musical instruments played by top-level professionals. With funds from the PTO, students also traveled to the Colonial Theatre in Keene to watch Knuffle Bunny and Dr. Kaboom. This year the PTO enriched Nelson School students through their participation in "Eyes on Owls" which introduced students to six live New England owls (from small to large). The students learned how to attract and protect owls in their natural habitat. Our ongoing partnership with Kris Finnegan and the Olivia Rodham Library provides students with an opportunity to develop library skills and work on in depth research project. Susan Hansel continues to volunteer at our school library two days a week.

As we look ahead to the next academic year, we will be developing blizzard bags so that on "snow days" in Nelson, students will have an opportunity to complete school work at home either via the computer or through a teacher created bag. This project will be unveiled at September of 2012's Open House in each classroom. We are excited about this project and know you will be too.

Nelson School remains a great place to teach and learn because of the staff, specialists, community members, school board members, parents, administration and support staff from SAU 29, and all others who have helped create this wonderful community of learners. Together we really make a difference for the children of Nelson. Once again, thank you for your support of the 2011-2012 school budget. This year your support provided Nelson School students with a week-long Children's Stage Adventures residency as well as an ecology experience at Ferry Beach, Maine, for the students in the 5/6 classroom.

If you are not able to visit us at Nelson School, you can learn about us at www.nelson.k12.nh.us. We are now also linked with the town website at www.townofnelson.com. We hope you find these sites helpful, informative, and easy to navigate.

Respectfully submitted,

Sheila Vara
Teaching Principal

REPORT OF THE NELSON SCHOOL DISTRICT TREASURER

Fiscal Year July 1, 2010 to June 30, 2011

CASH ON HAND July 1, 2010		($56,109.18)

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Director of Human Resources, 193 Maple Avenue, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 193 Maple Avenue, Keene, New Hampshire.

Wayne E. Woolridge
Co-Superintendent of Schools
